

**Wiarton Branch**

Heather McCarron, Temporary Lead Branch Supervisor

May 1, 2019

<b>Early Literacy Programs: Programs for babies, children, and parents that develop pre-reading skills</b>	Story Time	To help build their early literacy skills, a mix of 18 preschool aged children, babies, and their caregivers joined us throughout the month for stories, talking, singing and playing together.
--	------------	---

<b>Community Development: community events, partnered programs with community groups</b>	Grade Two Class Visit	The library shared three advanced picture books with the class. The 19 participants created an origami bookmark.
--	-----------------------	--

<b>Adult and Senior Programs</b>	Cookbook Club: Brunch	Participants this month reviewed and shared recipes from library titles with the theme of Brunch.
----------------------------------	-----------------------	---

<b>Technology Based Programs</b>	Tech Coach	Thirteen people received one-on-one tech help with their devices, or on our public library computers.
----------------------------------	------------	---

<b>Other Children's and Teens Programs</b>	Jr. Book Club	Thirteen school age children had the chance to explore new titles and take part in fun activities.
--	---------------	--

Total Circulation for <b>May</b>	<b>3933</b> items
