| <p><b>Early Literacy Programs: Programs for babies, children, and parents that develop pre-reading skills</b></p> | <p>Story Time Explorers</p> | <p>This is a partnered program with EarlyON. Carleen from EarlyON brings a different craft and information and I contribute reading materials, information as well as additional craft supplies for the parents and children. We engage parents in making learning tools and keepsakes. This month was making Mother's Day pictures. Five people attended one program.</p> |
