<p>Early Literacy Programs: Programs for babies, children, and parents that develop pre-reading skills</p>	<p>Story Time</p>	<p>Crafts, songs and stories are chosen to engage the various ages of children who attend. This month we went outside to water, weed and tend to the tomato and basil plants. We also sang songs and read stories to enhance literacy skills. Thirty-five children and caregivers attended three programs.</p>

<p>Adult and Senior Programs</p>	<p>Golden Dawn Seniors Residence/Nursing Home</p>	<p>On Mondays, I visit the Golden Dawn Seniors Residence and read to the residents. This month, I continued to read short stories by Stuart McLean as well as local history books. Thirty-eight people attended three programs.</p>

<p>Other Children's and Teens Programs</p>	<p>TD Summer Reading Club</p>	<p>I have read stories about amazing animals and nature followed by a craft involving nature. Making a Fish Bowl and writing your name using items from nature are a couple of examples. Forty-six people attended four programs.</p>
