<b>Early Literacy Programs: Programs for babies, children, and parents that develop pre-reading skills</b>	Story Time	Songs, crafts and fun. Lots going on at Story Time in our revamped space. In total, 35 children and caregivers attended in June.
--	------------	--

<b>Adult and Senior Programs</b>	Knitting Circle	Attendees gather to knit, share projects and to provide advice to others. In a shortened month due to the painting and changeover, we still had 4 people attend.
----------------------------------	-----------------	--

<b>Technology Based Programs</b>	Tech Coach	One person sought assistance in June.
----------------------------------	------------	---------------------------------------

<b>Other Children's and Teens Programs</b>	STEAM On!	With the painting and change over in Tara we had a shortened month for STEAM On!, however, we still had 13 children attend.
--	-----------	---

<b>Patron Feedback</b>	Very positive comments by everyone about the new look in Tara, and how story time does not feel so cramped.	
------------------------	---	--

<b>Total Circulation for June</b>	<b>788 items</b>

Participants play with a non-Newtonian fluid they made at Tara's STEAM On! program. Non-Newtonian fluids become hard when you hold them and return to a liquid state as soon as you let go.
