From the information noted in the completed consent application with severances, it has been determined that **neither section 57 (Prohibited Activities) nor section 58 (Regulated Activities)** applies on the above-noted property, pursuant to the *Clean Water Act, 2006*.

Consequently, **no policies apply to the activities identified in your application**, under the approved Source Protection Plan for the Saugeen, Grey Sauble, Northern Bruce Peninsula Source Protection Region (effective July 1, 2016). It is important to note that the severed properties in question are captured within a WHPA-C for a municipal drinking water system where the storage of certain chemicals (e.g. oils, paint/wood strippers and degreasers) in quantities greater than 25 litres are considered significant drinking water threats. If storage of these types of chemicals are planned for the properties, please notify us so that a Risk Management Plan can be prepared to permit storage.

If any activities or operations on this property change, please contact this office. If you have any questions, please contact this office (519-470-3000 or toll-free 1-877-470-3001) or via email at k.gillan@greysauble.on.ca.
