

What Are We Exploring?

Planning

Economic Development

Plan the Bruce

Staff will bring final Discussion Papers for Agriculture, Business, and Communities to Committee for endorsement as foundations for the new Official Plan. The New Official Plan project will formally launch in Q3.

Plan the Bruce: Natural Legacy Engagement

Engagement launched in August, seeking feedback on options and approaches for the natural environment system and on initial policy directions.

Book & Look

This campaign is aimed at educating visitors in the GTA and Southwestern Ontario that it is mandatory to make a parking reservation at the Grotto and Halfway Log Dump. Check out the campaign at bookandlook.ca.

Economic Impact of Tourism 2021 Survey

To gain insight regarding tourism trends across Bruce County we are asking visitors to complete an [online survey](#).

Housing Supply and Mix

Amendments to the South Bruce Peninsula and Saugeen Shores zoning by-laws coming into effect will make it easier to build semi-detached and duplex dwellings and apartments in homes.

Applications

Received 230 applications by end of Q2, which is 80% of the 5-year average for the whole year.

Workforce Development

We're working alongside OYAP on a one-week welding camp for recent grade 12 graduates in the area. Participants have the chance to be offered an apprenticeship.

Food Venture Program

This program aims to provide small-to-medium sized farmers and food producers the knowledge, skills, and networking opportunities to become food entrepreneurs.
