

“ Make Commute Time Your Time ”

Get Active • Be Productive • Save Money

Commute Ontario wants to help workplaces change the way people perceive their commute by offering employers and employees healthy, sustainable and FUN commuting options.

Signing up is so simple that a kid could do it! Thanks to a generous grant from the Ontario Trillium Foundation, it's also **FREE**.

Make Commute Time Your Time We've Got Solutions

Commute time offers an opportunity to gain back YOUR time and reconnect with what you love. Reconnect with nature, with friends, with being active, or use the time to get some extra tasks done. We offer sustainable and active travel options that improve the health and well-being of employees while reducing traffic and greenhouse gas emissions (GHG).

What happens when a workplace actively promotes sustainable commute options?
