Re: 2021 Annual Energy Consumption and Greenhouse Gas Emissions

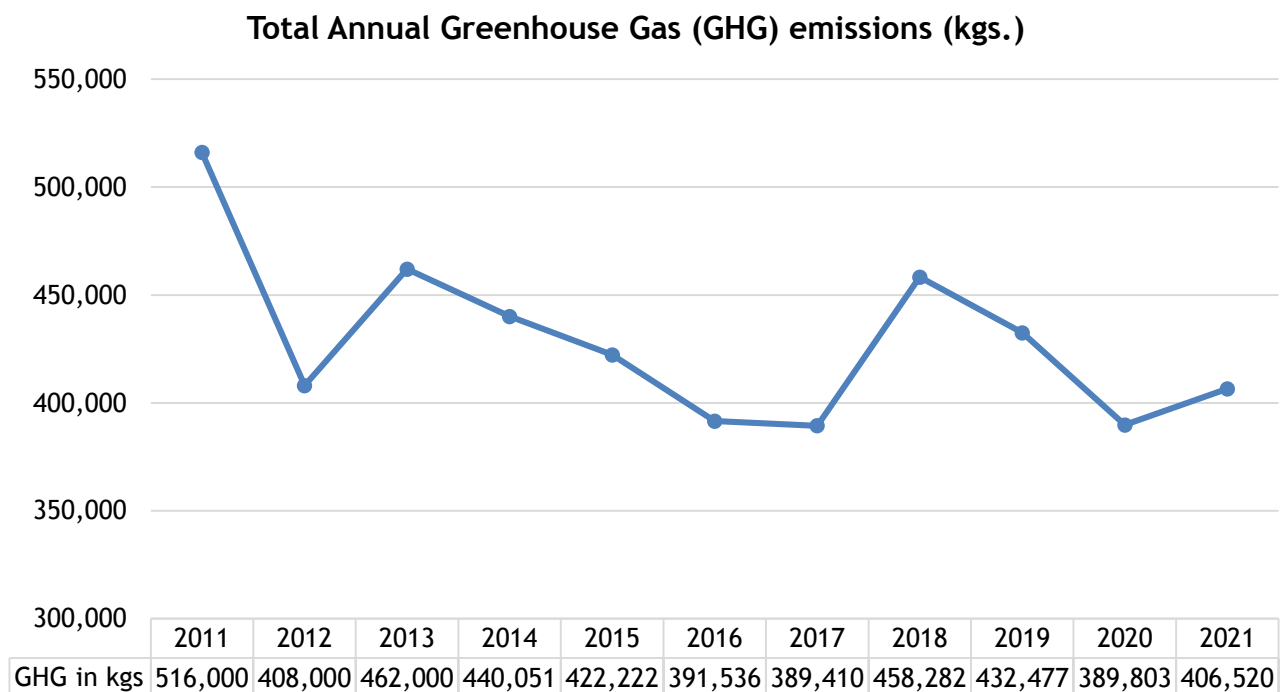

Staff Recommendation:

The 2021 Annual Energy Consumption and Greenhouse Gas Emissions Report is for information.

Background:

Ontario Regulation 507/18 requires that the County report annually the energy consumption and greenhouse gas emissions for specific building operations by July 1st. The period reported is always one year in arrears. The buildings reported include the Museum and Cultural Centre, Inland Hub, Lakeshore Hub, Peninsula Hub, Penetangore Hub, Transportation Depots, and the Ambulance Stations at Chelsey, Port Elgin, Tobermory and Walkerton where the County pays the utility invoices direct. Under the guidelines of the regulation Long-Term Care Homes and buildings that the County rents to others such as the Courts Complex and Housing units are not required to be reported on. (See Appendix A)

Total annual greenhouse gas (GHG) emissions (kgs.) for the period 2011-2021 are as follows;
