Good afternoon,

This property falls within the WHPA-E (vulnerability score of 7.2) area for the Chepstow drinking water system, however there are no significant threat policies that apply to this area, therefore we have no comments on this application under the Clean Water Act and local Source Protection Plan.

Regards,

Karen Gillan

A green rectangular banner with white text and a white megaphone icon. The text reads "WE WANT TO HEAR FROM YOU!" in large, bold, all-caps letters. Below this, it says "GSCA is Undertaking a New Strategic Plan!". At the bottom, there is a white rounded rectangle containing the text "submit your feedback here" in green, with a white mouse cursor icon pointing to the right.

Subject: FW: Request for Comments & Public Meeting Notices C1 Z15 Dales

Good afternoon,

We received a comment from SVCA that the property associated with this County Official Plan Amendment and Zoning By-law Amendment (file numbers C-2024-001 and Z-2024-015, Dales) is within the wellhead protection area. Our mapping does not reflect that – my apologies that you were not included in our initial circulation for this file.

Do you have any comments that you would like to add about this application? Although today is the deadline for agency comments, the public meeting is not until July 4. There is still time for us to include any comments you may have.

Thank you,
Amy

Good morning,

Please see the attached Request for Comments, Public Meeting Notice of County Official Plan Amendment, Public Notice of Zoning By-law Amendment, Application, Planning Justification Report, Archaeology Assessment, and RPlan for file numbers C-2024-001, and Z-2024-015, Dales.

SVCA – please note that we have collected \$580.00 on your behalf for review of this file,

Thomas & Donna – I am sending you the development signs that are required to be posted at the property by courier. Please post both signs at the property and send photos to bcplwa@brucecounty.on.ca to confirm.

Thank you,
Amy
