

Arran-Elderslie

Bruce County provides services to each of our local communities. These services are provided with a high degree of efficiency and quality, in comparison to like Counties. In fact, we have the second lowest cost of delivery.

The following highlights our investments in your community in 2022.

- Arran-Elderslie provided \$3,227,395.00 in tax revenue to Bruce County
- Provided **194 childcare spots** for an investment of \$1,107,757.58
- Responded to **646 calls for paramedic services** for a total investment of \$1,275,294.53
- Maintained **137 KMs of road** for an investment of \$3,290,661.25
- Welcomed **1,853 active library users** for an investment of \$383,356.71
- Provided life stabilization supports to **68 Ontario Works clients** for an investment of \$1,569,208.21

- Provided **68 units of social housing** for investment of \$1,351,501.74
- Responded to **22 planning inquiries** for an investment of \$114,453.79
- We also provide Long-Term Care, Economic Development, and Museum services across the County, as well as funding for public health, creating value for all our communities.
- We are greater than the sum of our parts. For example, by partnering as a County, we can provide roads that give access to all local communities. We have also built a strong Bruce County brand that attracts business and people to the region.
- In 2022, we invested **\$12.64M** in Arran-Elderslie.
