

Policy: Operational - Interlibrary Loan

Department: Library

Effective Date: December 2013

Revision Date: ~~September 2022~~ November 2024 Next Year of Review: 2026

Bruce County Public Library (BCPL) connects patrons to a wide variety of collection resources that foster life-long learning. To further enhance access to collections, BCPL participates in the Information Network of Ontario, a provincial network of resource sharing overseen by the Ontario Library Service. Through the INFO database, staff can request materials not held in our own collection for patrons to borrow, as well as make our collection available to other libraries. **This resource sharing compliments BCPL's collection and is not a replacement for it.** The process of borrowing and lending materials between library systems is known as Interlibrary Loan (ILL). **ILL is available to BCPL card holders in good standing.**

This policy establishes a commitment to resource sharing partnerships.

1. ~~The library will participate in resource sharing opportunities by:~~

- ~~a) joining the provincial interlibrary loan network~~
- ~~b) using resource sharing **to compliment the library collection, not replace it** as an adjunct to, not a substitute for, the library's collection~~
- ~~c) purchasing frequently requested titles~~
- ~~d) offering provincial interlibrary loan service to users **who are in good standing with the library**~~

~~1 Interlibrary Loan is the process by which a library requests material from, or supplies material to, another library. In providing this service, BCPL follows the guidelines set by Ontario Library Services (OLS), other networks, and their member libraries. BCPL ~~will~~ supports the Interlibrary Loan process by:~~

- ~~e) **adhering** to the provincial interlibrary loan policies and participation standards~~
- ~~f) make **sharing** its database of holdings available to **with** the provincial interlibrary loan network~~
- ~~g) **promoting** awareness of the interlibrary loan service~~

- h) requesting materials not owned by the library or missing from the library's collection. BCPL will not request items in our collection, including those that are temporarily in use or on reserve.
- i) requesting any type of library materials needed for the purpose of study, instruction, information, recreation, research
- j) only borrowing from libraries that don't charge an administrative or lending fee
- k) strictly observing any conditions for use of loaned materials that are imposed by a lending library
- l) not charge users a fee for borrowing via interlibrary loan, in accordance with the Public Libraries Act and Regulation 967
- m) being responsible for materials borrowed on behalf of patrons and pay for overdue charges, damage, or loss of material borrowed on interlibrary loan. These costs will be added to the borrower's record account

2. Interlibrary loan service is offered to other libraries that abide by the provincial interlibrary loan policies and participation standards. The library will:

- d) circulate items as per the loan period set by the lending institution
- e) grant renewals unless the material is needed for another user of the library
