

Resolution on Supporting Municipal Response to Tariffs

Whereas the United States' Executive Administration is enacting tariffs under the International Emergency Economic Powers Act, which will significantly impact the economic stability of both countries; and

Whereas federal and provincial leaders are encouraging Canadians to buy Canadian; and

Whereas municipalities have significant purchasing power through capital and infrastructure programs; and

Whereas the Association of Municipalities of Ontario reports that Ontario municipalities are expected to spend \$250 to \$290 billion on infrastructure over the next 10 years; and

Whereas trade agreements and legislation have traditionally prevented municipalities from giving preference to Canadian products and services; and

Whereas municipalities can help combat tariffs and support businesses through procurement for capital and infrastructure programs;

Now therefore be it resolved that the Council of County of Bruce calls on the federal and provincial governments to:

1. Empower municipalities to buy Canadian;
2. Remove any impediments to municipalities preferring Canadian companies for capital projects and supplies when appropriate and feasible;
3. Work with municipalities on measures to protect Canadian consumers and businesses.

Be it further resolved that this resolution be forwarded to Prime Minister Mark Carney, Premier Doug Ford, the Association of Municipalities of Ontario, the Federation of Canadian Municipalities, and all Ontario municipalities.
