Memorandum of Agreement
For Paramedic Service Equipment Sharing
Between
The Corporation of the County of Bruce
And
The Corporation of the County of Huron

The above parties agree:

To provide vehicle(s) and/or equipment support to one of the Counties whose ambulance resources have been overwhelmed and have requested assistance.

It is understood that the provision of this agreement allows each Paramedic Service to maintain their respective staffing commitments.

The receiving Paramedic Service will bear all costs for/to the vehicle(s)/equipment that is incurred during their time of need.

The vehicle(s) and/or equipment provided to the Paramedic Service in need will be returned as soon as possible.

Should the lending Paramedic Service need the vehicle(s) and/or equipment to maintain their staffing levels, they will contact the receiving Paramedic Service to arrange its return. The vehicle(s) and equipment will be returned in the same condition as received.

It is also understood that if the vehicle(s) and/or equipment are not available to be shared, the respective County is not bound by this agreement.
