By-law Number 2019-040

A by-law to authorize the Director, Engineering Manager and Engineering Technologist of the Transportation and Environmental Services Department as the approval authorities for the installation and monitoring of traffic control signal systems and signals on the Bruce County road system.

The Corporation of the County of Bruce has jurisdiction over the Bruce County Road system.

Section 144, Sub-section (31) of the Highway Traffic Act, R.S.O. 1990, C. H.8 requires that a Municipality authorize individuals to approve the installation of traffic control signal systems.

The Council for the Corporation of the County of Bruce enacts By-law 2019-040 as follows:

1. That the Director, Engineering Manager and Engineering Technologist of the Transportation and Environmental Services Department be authorized as the approval authorities for the installation and monitoring of traffic control signal systems and signals on the Bruce County road system; and

2. That By-law number 2012-041 be repealed.

This by-law shall come into force and take effect on the day that it is passed.

Passed this 1st day of August, 2019.
